BRITT MARKETING PARTNERS WITH STATE ECONOMIC PROGRAM

Lynchburg, VA.....Britt Marketing was recently selected to participate in the Virginia Economic Development Partnership's Virginia Leaders in Export Trade (VALET) program. Launched in 2002, the program assists exporters in the Commonwealth that have firmly established domestic operations and are committed to international exporting as an expansion strategy. There are currently 78 Virginia companies participating in the VALET program.

As a Program Partner, Britt Marketing will work as a member of the team of experienced international service providers who assist the VALET companies in attaining their international goals. The 22 Program Partners from throughout Virginia include attorneys, web designers, bankers, translators and global consultants, among others.

Britt Marketing is a full service marketing and advertising firm with capabilities including creative planning, advertising production and placement, corporate identity, market research and public relations. The agency serves commercial and industrial clients, several of whom are engaged in marketing products overseas. In business for 25 years, Britt Marketing has offices in Forest, Virginia.

Additional information about the VALET program can be found on the website www.exportvirginia.org.
